

HUMAN PERFORMANCE PRINCIPLES

The following human performance principles supporting the HSE Policy are defined:

Human Performance Principles

Five human performance principles are presented, each with an icon, a representative image, and a title:

- People make mistakes**: Icon of three workers in hard hats. Image shows a worker in an orange safety suit.
- Context drives behaviour**: Icon of a hand holding a globe. Image shows two people in an office setting.
- Learning is vital**: Icon of a lightbulb inside a head. Image shows two workers in orange safety suits.
- Blame fixes nothing**: Icon of a hand pointing. Image shows a worker in an orange safety suit.
- How you respond matters**: Icon of two speech bubbles. Image shows three workers in safety gear on a platform.
